

TREASURE HUNT

Adult Event

11/03/12
1pm – 3pm

Meeting point:
Entrance Hall, MOSI (Museum of Science + Industry)
Liverpool Rd, Castlefield, Manchester M3 4FP

Dalton Collecting Marsh Gas Fire by Ford Madox Brown
Source: Wikipedia

Join us for a fantastic Treasure Hunt at MOSI (Museum of Science + Industry) + find out more about Manchester's invaluable contributions to the world of science + engineering. As Manchester was home to John Dalton, father of modern meteorology, our capricious weather will be one of the themes explored.
